Matt Brinkman of Region 3A sent a countywide proposal and a contract for services for the Town of Markle Comprehensive Plan that we had previously discussed. The cost of Region 3A completing our Comp Plan will be \$10,000.00. I will need President McClary's signature on the contract if Council decides to move forward.

May Clean-Up is scheduled for May 10th - May 14th. Residents can call Town Hall at 260-758-3193 to be put on a list for guaranteed pickup. Residents are not required to call to get items picked up since Town employees will pick items up as they see them as long as they are left at the curb, but to ensure they are not missed, they can call and we will put them on a list.

Hazardous Waste Drop Off Day is scheduled for May 11th from 9:00 a.m. to 3:00 p.m. Residents can bring their old batteries, paints, chemicals, etc. to the Fire Station parking lot for disposal.

Garage Sales are scheduled for May 7th and 8th from 8:00 a.m. – 5:00 p.m. Residents can pick up a registration form at Markle Hardware or Town Hall. To be included on the Garage Sale Map, please have registration forms turned back in at Markle Hardware or email it to marklehardware@gmail.com by April 30th.

Respectfully submitted,
