

CLERK-TREASURER'S REPORT

February 17, 2021

FUND	QTY	AMOUNT
General Fund	70	\$122,961.50
Water Utility	23	\$ 84,546.91
Wastewater	15	\$ 21,180.08
Total	123	\$ 228,688.49

In order to be eligible for federal grants in the future, the Town needs to update the Comprehensive Plan. After talking with some other local clerks, it looks like Region 3-A is our best option to do this with. The cost of the Comprehensive Plan update would be \$10,000. I do not believe we could get someone to do it cheaper than that. We can use CEDIT funds to pay for the update. If Council is alright with this, I will move forward with the process.

Respectfully submitted,

Stephenie Hensley
Clerk-Treasurer
